

# WESSEX ORCHID SOCIETY

## Spring Show Registration Notes

Please fill out the Registration Form in advance and either scan and email it to [chairman@WessexOrchidSociety.org.uk](mailto:chairman@WessexOrchidSociety.org.uk) at least two days before the Show, or if possible bring it to the February meeting. Forms are also available to download from the website, without the need to scan.

All plants must have been in the possession of the exhibitor for at least six months.

Members are eligible to make two entries, each of one plant per class, with the exception of classes 16 & 17, which are one entry only as each of these must contain three plants.

Plants may be submitted from 8:00 am on the morning of the Show. No entries accepted later than 9:45 am.

Please refer to the Show Schedule before deciding the correct class for your plants.

Exhibitors are requested to ensure their membership fees are up to date.

Should you require additional help, contact [chairman@WessexOrchidSociety.org.uk](mailto:chairman@WessexOrchidSociety.org.uk)
